The administrative rules at issue are WAC § 480-07-340, -355.

AWEC is an incorporated, non-profit association of large energy consumers in the Pacific Northwest. A list of AWEC members is included as Attachment A. AWEC represents some of Puget Sound Energy's ("PSE" or the "Company") largest customers.

AWEC's member companies have a substantial interest in PSE's general rate case, which the Company filed on January 31, 2022. PSE requests a three-year rate plan with first-year rate overall rate impacts of 13.59% for electric customers and 12.98% for gas customers. The Company's proposed tariff revisions could substantially and directly affect AWEC members who purchase power from PSE. Accordingly, AWEC requests leave to intervene in this proceeding to represent its members who would be affected by any change to PSE's rates.

AWEC has extensive experience in proceedings before the Commission involving PSE. AWEC participated in the Company's last general rate case, UE-190529/UG-190530, and has been a party in many prior Company rate proceedings over the past decades, either under its

As described above, AWEC has a direct and substantial interest in this proceeding

that will not be adequately represented by any other party, and may be affected by any

Commission determination made in connection with this proceeding. Thus, it is in the public

interest to allow AWEC to intervene in this proceeding.

WHEREFORE, AWEC respectfully petitions the Commission for leave to

intervene in this proceeding.

Dated this 8th day of February, 2022.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
