Re: *AT&T v. Verizon*
Docket No. UT-020406
Request to Correct Schedule

Dear Judge Schaer:

The Fourth Supplemental Order issued dated September 4, 2002, includes the new schedule that was agreed upon by the parties during the last prehearing conference of August 27, 2002. However, I believe two of the dates in that schedule are incorrect. I have spoken with counsel for both AT&T and Verizon and they are in agreement. The date for AT&T, WorldCom, Commission Staff and Public Counsel to prefile direct cases is listed as September 20, 2002; the correct agreed-upon date should be September 30, 2002. Also, the date for parties to file rebuttal is listed as January 21, 2003; the correct agreed-upon date should be January 31, 2003. Staff respectfully requests that the Commission enter an order confirming these two new dates on the schedule.

Very truly yours,

Gregory J. Trautman
Assistant Attorney General
