Re: *Washington Utilities and Transportation Commission v. Iliad Water Service, Inc.*, Docket UW-071885

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered its Notice of Finality on April 24, 2008, allowing the Initial Order, Order 05 in this docket, entered on April 17, 2008, to become effective by operation of law. Order 05, among other things, rejected revised tariff sheets filed by Iliad Water Service, Inc., (Iliad Water or Company), on September 17, 2007, which were suspended by prior Commission Order. Order 05 authorized and required the Company to file tariff sheets necessary and sufficient to effectuate its terms. Order 05 also authorized the Commission's Executive Secretary to accept the authorized filing by letter if it complied with the requirements of that Order.

On April 23, 2008, Iliad Water filed tariff sheets as specified in Order 05. A list of the tariff sheets is attached to this letter. The Commission has examined the filing and it appears to comply with the terms of Order 05.

Therefore, pursuant to terms of Order 05, the tariff sheets indicated on the attachment to this letter will become effective as filed with an effective date of May 1, 2008.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
