SCHEDULE 85
LINE EXTENSIONS
(Continued)

- b. The property owner, developer, or customer shall provide written (K) notice to the Company that the provisions of 11.a. have been complied with prior to installation of the Company's distribution system.
- 12. TRENCHING - For underground service, the Customer, owner, or developer shall provide all necessary trenching, excavation for vaults, and backfill in accordance with Company standards, or contract with the Company to provide this work at its estimated cost. Payments to the Company for such work will not be refundable.
- 13. ECONOMIC FEASIBILITY - The Company shall not be required to construct any distribution extension under this schedule if such extension is, in the reasonable judgment of the Company, economically unfeasible. Service may, however, be provided to customers on terms which require payment of an amount sufficient to justify the Company's investment in facilities.
- 14. SINGLE-FAMILY RESIDENCE - A Single-Family Residence is a structure that is located on a legal residential lot and is approved for occupancy as a permanent residence by the local governing agency or agencies. A mobile home will be considered a Single-Family Residence if it meets the above requirements; is permanently located on a foundation; has had the axles and wheels removed; and meets all other requirements for a mobile home permit as required by the local governing agency or agencies. (K)
- 15. TEMPORARY SERVICE - This schedule does not apply to temporary service. Such service is subject to the provisions of Schedule 80 in this tariff.
- 16. GOVERNMENTAL AUTHORITY - The manner and type of construction of any extension of the distribution system shall be subject to applicable governmental authority or law, and any increase in costs resulting therefrom and not reimbursed by an agency of the government or other person or entity shall be paid by the customer(s), property owner, or developer served by such extension.
- 17. SCHEDULE 87 - The installation of facilities under the provisions of this schedule shall be subject to the provisions of Schedule 87, Income Tax Rider.
- 18. GENERAL RULES AND PROVISIONS - Service under this schedule is subject to the General Rules and Provisions contained in this tariff. (M)
