RE: *In the Matter of the Petition of Avista Corporation for an Accounting Order Authorizing Deferred Accounting Treatment related to the Undepreciated Net Book Value of the company's Existing Electric Meters, Docket UE-160100*

TO ALL PARTIES:

On March 15, 2016, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Granting Amended Accounting Petition Subject to Conditions (Order 01) in this docket. Order 01, among other things, required Avista Corporation d/b/a Avista Utilities (Avista or Company) to file an annual report by January 31 of each year, beginning January 31, 2017, documenting the actual number of meters retired in the previous calendar year and the net book value of those meters at the time of retirement.

On January 31, 2018, Avista filed its Retired Electric Meters Annual Report for 2017 (Annual Report). On February 12, 2018, Commission staff (Staff) filed a letter informing the Commission that Staff had reviewed the Annual Report, and found that it complies with the requirements of Order 01.

The Commission accepts the Annual Report as in compliance with Order 01.
