NOTICE OF ERRATA TO COMPLIANCE LETTER

RE: *In the Matter of Chair Danner's Motion to Consider Whether Natural Gas Utilities Should Continue to Use the Perpetual Net Present Value Methodology to Calculate Natural Gas Line Extension Allowances,*
Docket UG-210729

TO ALL PARTIES:

On December 1, 2021, the Washington Utilities and Transportation Commission (Commission) issued a letter in this docket, confirming the Compliance of Avista Corporation d/b/a Avista Utilities (Avisa), Cascade Natural Gas Corporation (Cascade), and Puget Sound Energy (PSE, and together with Avista and Cascade, the Companies).

In the final paragraph, the letter erroneously listed Avista twice, and neglected to mention PSE. That paragraph is hereby corrected to read as follows:

The Commission has reviewed the Companies' revised tariff sheets and find that the revisions comply with Order 01. Avista's tariff sheets shall be effective on December 3, 2021, and Cascade's and PSE's revised tariffs shall be effective on January 1, 2022.
