Re: Enoch Rowland, d/b/a Kleenwell Biohazard  
Docket No. TG-920304

Dear Mr. Curl:

Mr. Johnson requested an extension for filing exemptions from September 21, 1992 until October 2, 1992. In his letter to the Commission, he states that he has checked with all opposing counsel and received no objections to his request. Mr. Johnson's checking consisted of leaving a message on my voice mail that he would like an extension. The period of time stated in his message was a week's extension. I am willing to agree to an extension to September 28, 1992. I am not willing to agree to an extension to October 2, 1992.

Sincerely,

  
RICHARD A. FINNIGAN
