

I am responding to the above titled matter. Please note that Touch America, Inc. has filed for bankruptcy and is in the process of selling off all of its assets. Once the sale is complete the company will cease to be in existence. Due to layoffs that occurred when the Company filed bankruptcy we no longer have a disaster service coordinator. Our network operations center is located at 130 N Main, Butte, MT 5 9701.

If you have any question please contact me on 406-497-5522.

Thank you.

Tracy McGrath
