RE: Annual Lifeline Verification Survey Results for Virgin Mobile USA, L.P.

Dear Ms. Lui:

In light of the 2012 FCC Lifeline Reform Order, Virgin Mobile USA, L.P. respectfully submits that its Annual Lifeline Verification Survey Results will no longer be filed with the Washington UTC by August 31st each year. The Reform Order changes the survey requirements from a random sample testing result to a recertification or verification of the Lifeline provider's entire customer base each year by December 31st. The subsequent results are due to USAC in January. Virgin Mobile USA, L.P. requests to change the due date of this annual reporting requirement from August to January immediately as well as annually going forward.

If you have any questions concerning this request, please contact me at (913) 762-5929 or at the address shown above.

Sincerely,

Karine M. Hellwig
