Subject: White pages opt-in (Docket UT-120451)

Hi, I want you to know that I support the proposed white pages opt-in rule, at <http://www.utc.wa.gov/docs/Pages/Whitepagesdirectoryrulemaking.aspx>, and second Sightline's recommendations (<http://www.wutc.wa.gov/rms2.nsf/177d98baa5918c7388256a550064a61e/75f025db10696d4c88257a5500719279!OpenDocument>).

This is a pretty simple step to whittle away at the waste stream. From my personal perspective, the less unwanted paper that shows up at my door, the better.

Thank you,
