**Re: PSE PCA/PCORC Collaborative  
Docket No. UE-130617, et al. (Consolidated)**

Dear Mr. King:

Pursuant to the Notice Requiring Refiling of Revised Exhibits and Notice of Bench Request, enclosed for filing please find complete electronic copies of the following submitted on behalf of the settling parties (PSE, Commission Staff and Public Counsel):

- (1) Settlement Stipulation;
- (2) Attachment A to Settlement Stipulation;
- (3) Exhibits A and B to Attachment A to Settlement Stipulation, which incorporates revisions to Exhibit B;
- (4) Joint PCA Testimony in Support of Settlement Stipulation (Exhibit No. JOT-1Tr), which incorporates revisions to the testimony;
- (5) Appendix 1 to Exhibit No. JOT-1Tr; and
- (6) Certificate of Service.

As noted above, the only documents that have been revised substantively from the original filing are the Joint Testimony (JOT-1Tr) and Exhibit B to Attachment A to the Settlement Stipulation. However, in response to the request in the Notice to furnish “complete versions of the affected

testimony and exhibits in all electronic formats” the Settling Parties are providing complete copies of the Joint PCA Testimony and Settlement Stipulation with all exhibits.

Please note the addition of “Exhibit No. JOT-1Tr” to each page of the Joint Testimony, as the original filed testimony did not include an exhibit number. However, in an effort to minimize confusion related to this procedural addition, we did not mark each page as “Revised.” Only those pages with substantive revisions are marked as “Revised.”

If you have any questions, please contact the undersigned at (425) 635-1422.

Very truly yours,

Sheree Strom Carson
