### **Public Counsel Data Request 26**

#### **Re: Employee Benefits.**

For the 20 most highly compensated employees, please provide, by employee, the total salaries and other compensation, by compensation type, included in the test year. This list should include, but not be limited to, salaries and wages, SERP expenses, perquisites and other compensation types. Please identify where these amounts are included in the test year and provide the amounts on a total Company and Washington jurisdictional basis.

### **Response to Public Counsel Data Request 26**

Please refer to Confidential Attachment PC 26 for requested employee listing.

These amounts are included in the filing in Exhibit No. (RBD-3), page 4.3.2 and the amount included in the test year is \$6,916,698 on a total company basis. As explained in the Company's response to Public Counsel Data Request 25, wages and benefits are combined before being allocated to accounts and jurisdictions. Washington's overall allocation of total wages and benefits is approximately 6.72% of total company utility labor.

Confidential information is provided subject to the terms and conditions of the protective order in this proceeding.
