SUBJECT: Proposed Horse Heaven Wind Farm by Horse Heaven Wind Farm, LLC

On February 8, 2021, the Washington State Energy Facility Site Evaluation Council (EFSEC) received an Application for Site Certification (ASC) from Horse Heaven Wind Farm, LLC for a wind turbine, solar array and optional battery storage facility in Benton County, Washington. EFSEC is beginning its review process of the Horse Heaven Wind Farm Project as required by Chapter 80.50 Revised Code of Washington (RCW) and Title 463 Washington Administrative Code (WAC). Under WAC 197-11-938, EFSEC is the lead SEPA agency for this project.

A copy of the ASC is available to your representative via the EFSEC Council SharePoint Site. If you have any questions, please feel free to call me at (360) 704-0196
