RE: NPDES Permit No. WA0024961, Section S8, Outfall Evaluation

Dear Mr. Overton,

Crux Diving performed the annual inspection of our outfall diffuser in the Chehalis River on August 5th, 2020. The diffuser and piping were evaluated to be in good condition. No damage or need for repairs was observed. A video recording of the inspection and report from Crux Diving are enclosed. A copy of this report is being submitted to the Department of Ecology, copied on this transmittal.

If you have any questions or if you require any additional information, please feel free to call me at 360-482-6292 or via email at EPace@invenergy.com.

Sincerely,

Eric Pace
Plant Engineer
