**OneEnergy Renewables-Goose Prairie Solar Project – EFSEC Docket No. EF-210012**

**NOTICE OF INFORMATIONAL PUBLIC MEETING AND LANDUSE CONSISTENCY  
HEARING MARCH 16, 2021  
5 PM  
Virtual Meeting**

**Description of Proposal:** On January 19, 2021 OneEnergy Renewables (Applicant) submitted an Application for Site Certification (ASC) to the Energy Facility Site Evaluation Council (EFSEC) to develop, construct and operate the Goose Prairie Solar Photovoltaic Project (Project). The proposed Project location is in Yakima County near the City of Moxee and will have a maximum generating capacity of 80 Megawatts (MW). The Applicant has requested review under EFSEC expedited process for the ASC. An ASC may be eligible for expedited review when the EFSEC Council finds (1) the environmental impacts of the proposed project are not significant or can be mitigated to non-significant levels and (2) the Project is consistent and in compliance with city, county, or regional land use plans.

The ASC and other materials are posted on the EFSEC website: [www.efsec.wa.gov](http://www.efsec.wa.gov). Copies of the ASC will also be provided to the Washington State Library and to local libraries.

**Proponent:** OneEnergy Renewables, 2003 Western Ave Ste. 225, Seattle, WA, 98121.

**State Environmental Policy Act (SEPA) Lead Agency:** EFSEC

**SEPA Threshold Determination Required:** A threshold determination is required to determine whether an Environmental Impact Statement (EIS) is required. The threshold determination will be made based on the probable project impacts identified in the information presented in the ASC. A threshold determination of non-significance (DNS) may be issued if the SEPA responsible official (EFSEC Manager) determines there will be no probable significant adverse environmental impacts. An EIS is not required if a DNS is issued.

**Public Comment** –Public Comment will be accepted during the Public Information Meeting and Land Use Consistency Hearing. If you are unable to attend the meeting please send your comment in writing to [efsec@utc.wa.gov](mailto:efsec@utc.wa.gov) or at the mailing address below.

**Meeting Location** – The Public Information Meeting and Land Use Consistency Hearing will be held virtually due to public health concerns related to the spread of the novel corona virus (COVID-19). We appreciate your participation and thank you for your patience and understanding.
