-
3. UE-250318 **Puget Sound Energy**
- Annual Power Cost Adjustment mechanism filing, requesting approval for revisions to Tariff Schedules 95 and Schedule 139 resulting in a net power cost revenue requirement increase of \$26.8 million, or 0.8 percent, to be recovered over 15 months effective October 1, 2025. A typical residential ratepayer using 800 kWh would see a \$0.72, or 0.5 percent, increase in their bill each month.
- Petition
- Staff Contact: Kody McConnell +1 (360) 664-1216
kody.mcconnell@utc.wa.gov
-
4. UE-250695 **PacifiCorp**
- Revises Tariff WN U-76, the purpose of this filing is to establish Schedule 138 – Net Billing Service, which PacifiCorp proposes as the successor to Schedule 135 – Net Metering Service. The filing also includes proposed changes to Schedule 135 to close it to new applications and ensure an orderly transition from Net Metering to Net Billing. These changes include establishing a deadline for new Net Metering applications and introducing the Equitable Access Credit, which is designed to support continued access to distributed generation benefits for income-qualified customers. The Company estimates that its Net Billing service customers will save \$1,280 annually.
- Tariff Revision

7. UW-250570 **Basin Water Sources, Inc.**

Tariff filing for a surcharge of \$7.59 per month. The purpose of the surcharge is to reimburse the Company for expenses incurred for an engineering assessment of the water system. The assessment cost will not exceed \$64,500 and it is proposed to be recovered over two years. The assessment will result in a 20-year capital plan for Basin Water Sources, Inc. and is meant to help prioritize the replacement of the ageing water system as it is 60 years old. The Company serves about 397 connections in Grant County. The Company's last general rate increase was effective January 1, 2021, for \$8,305 (8.5 percent) of additional annual revenue.

Tariff Revision

Staff Contact: Tiffany Van Meter +1 (360) 664-1246
tiffany.vanmeter@utc.wa.gov

B. TRANSPORTATION

Item	Docket	Company Description
1.	TG-250532	Waste Management of Washington, Inc. General rate increase request for Waste Management of Washington, Inc. d/b/a Waste Management of Kennewick that generates approximately \$1,179,000 million (39 percent) additional annual revenue for the collection of garbage services. Commission Staff and the Company have agreed to a lower additional annual revenue amount of approximately \$1,133,091 (37 percent) resulting in lower revised rates. The Company provides regulated solid waste collection service to approximately 6,833 residential and commercial customers in Benton County. The Company's last general rate increase became effective on December 1, 2010. The Company is also requesting a petition for exemption of WAC 480-07-520(4) for submitting work papers filing requirements.
